Meet the AB Pattern

A pattern repeats over and over. Read each pattern below.

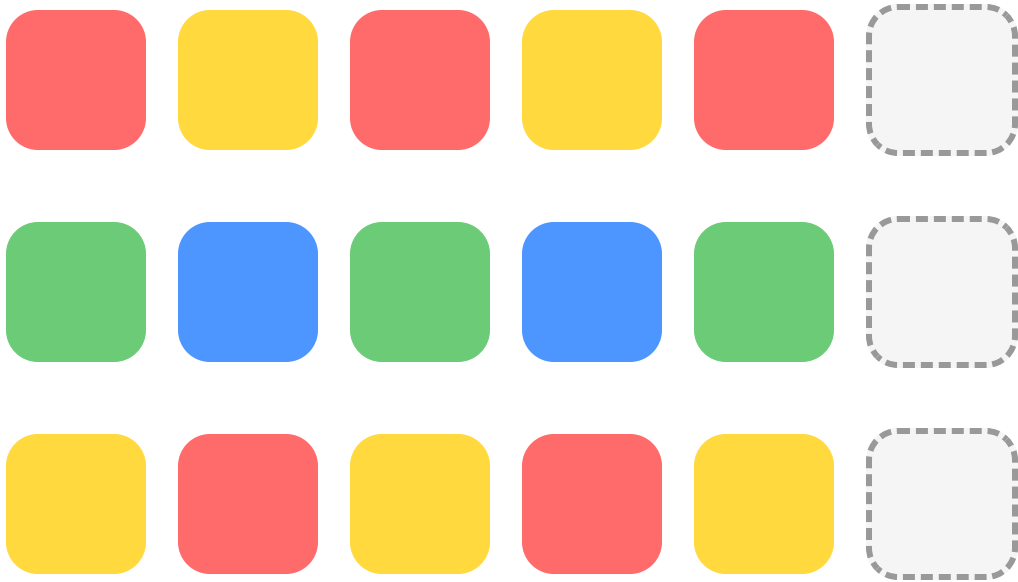

This is an AB pattern: Red, Yellow, Red, Yellow... Say it out loud!

What Comes Next?

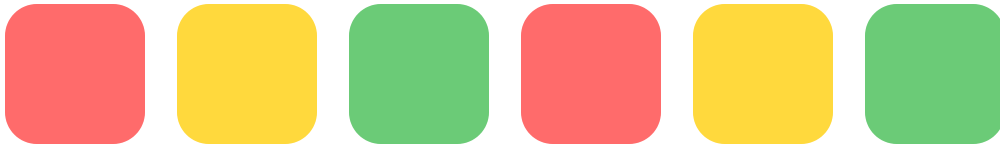

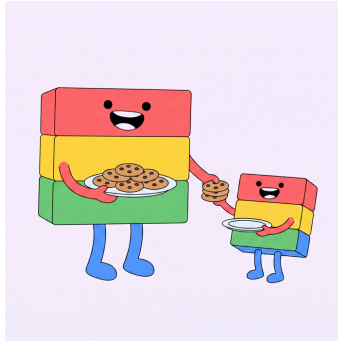

Look at the pattern. Draw or color the missing shape in the blank box.

Meet the ABC Pattern

Some patterns repeat every 3 shapes instead of 2.

This is an ABC pattern: Red, Yellow, Green, repeat!

What Comes Next? (ABC)

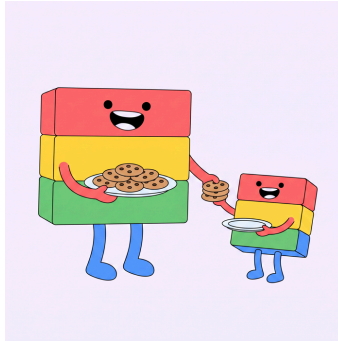

Figure out the 3-shape pattern, then fill in the missing one.

Make Your Own Pattern

Finish the tricky pattern, then design your own pattern below using any colors!

Trickier! This pattern is Red, Red, Yellow, repeat.
